What is the Ireland Area Group of MERG?

The MERG Ireland Area Group is an area group within MERG that is primarily for MERG members based in the Republic of Ireland, however any member of MERG is welcome to join and we have members that live in the UK and as far afield as Australia, Finland and the USA.

We aim to provide events and information for our members to assist them with their learning and problem solving.

You will need to be a member of MERG and signed up to the Ireland Area Group in your MERG profile to receive information about our activities.

Contact Us

You can contact the coordinators via **Contact MERG** Please indicate Ireland Area Group in your message

How to join us?

If you are not a member of MERG already, please first

Join MERG Here

If you are already a member of MERG

Join the Ireland Area Group

Select **Ireland Area Group** from the drop down list in **Other Area Groups** and press the **Subscribe to Area Group** button.

How do you meet?

We have a Zoom meeting every 3rd Sunday at 19:00 Irish local time.

We also have a physical meeting a number of times a year where we have either:

- A session on a specific topic or
- A practical workshop

These usually take place in Dublin or Wexford.

We also have an Ireland sub Forum for discussions between our meetings.

Next Meetings

The next meetings are shown on the MERG Diary.

Exhibitions

Our goal is to have a stand at the main exhibitions in the Republic of Ireland. Information on these is available on the Members Pages.
