How do you meet?

We meet at the [Birmingham Canal Navigations Society's](#) historic premises at
Titford Pump House
Engine Street
OLDBURY
West Midlands
B69 4NL.

[Google maps link to Titford Pumphouse](#)

There is plenty of car parking – mostly on Engine Street, some within the Pump House compound.

All facilities are at ground level.

We meet four times a year in January, April July and October.

Usually the January and July meetings are on the second Sunday of the month, with the April and October meetings on the second Saturday.

COVID - 19 UPDATE

UPDATE. *We are now meeting quarterly see below for details of our next meeting .*

Do not come to the meeting if you are experiencing any COVID symptoms, are in a self-isolation period or have been in contact with someone who has or is suspected of having COVID.

In discussions, please be considerate regarding social distancing where possible.

What does the group get up to?

Our day's meeting starts at 10:00 am and concludes at 16:00. **See below for details of our next meeting.**

The day is split into two parts.

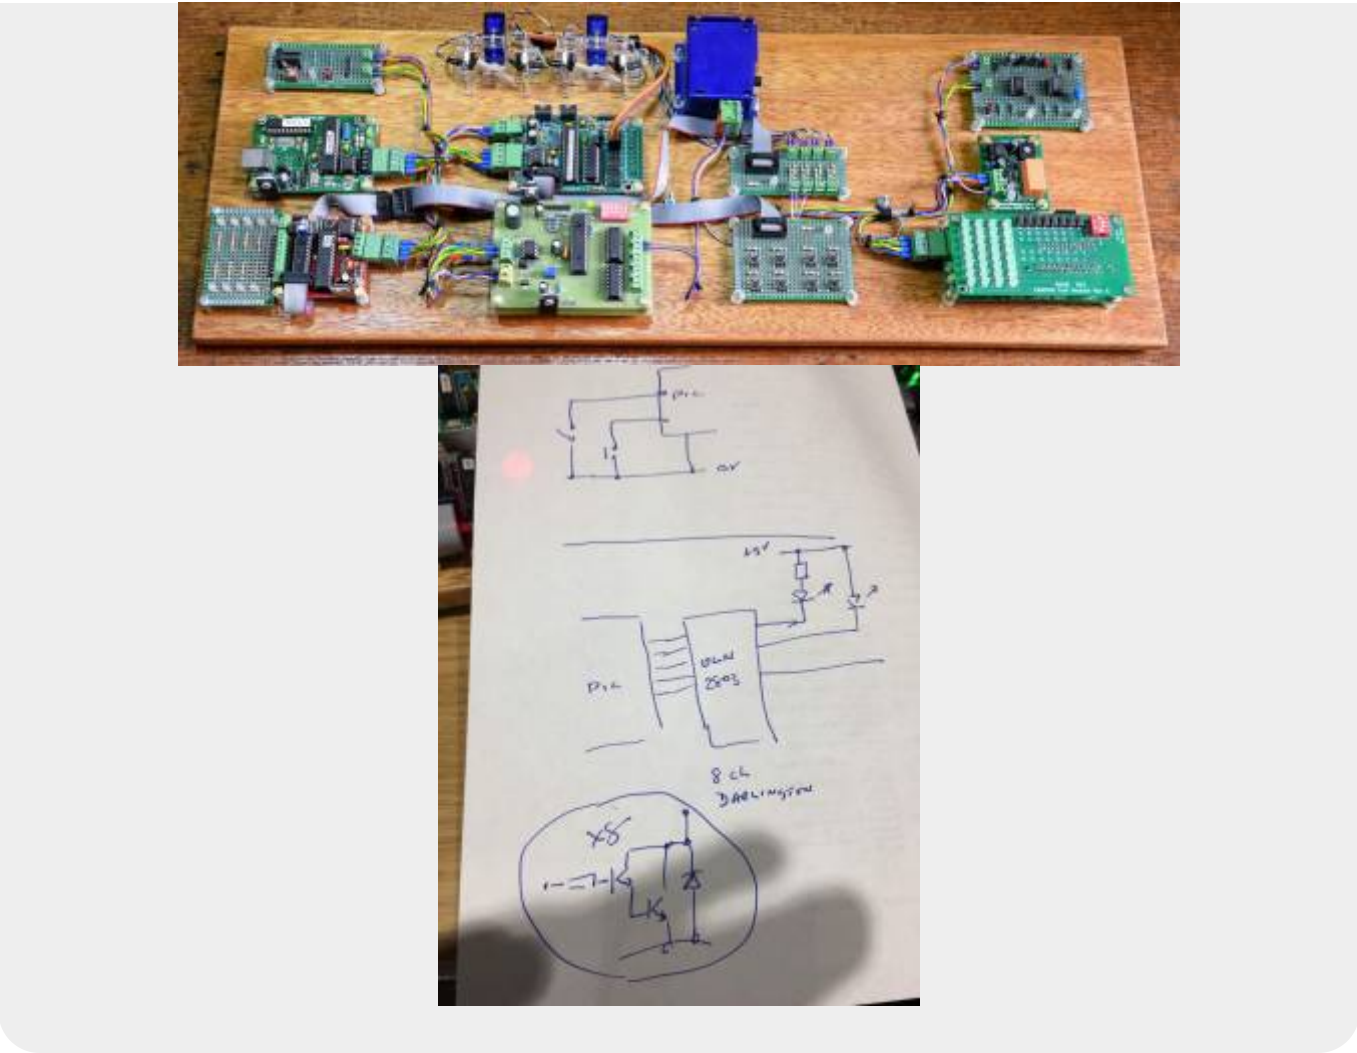

The morning session is more formal in so far as we have one or more guest speakers. The topics are far-ranging. [Click here to view details of previous meetings](#)

The afternoon session is informal and generally consists of:

1. Members working on their current project (normally a Kit).
We will do our best to help with construction and problem-solving.
2. Talking to presenters about the days topic.
3. Bring along something you are working on, even if its work in progress and share it with others
4. Passing the day talking all thing model railway electronics.

We charge £3 for the day which goes to the BCN Society for the use of the pump house.

We do not charge for tea, coffee or the superb cakes that are kindly supplied by one of our members' wives.
